KinderBOOST! @ the UCECP!

We know that navigating the kindergarten year can be a challenge. We have several options to support your family. We have our amazing full day kindergarten, and we are pleased to announce the return of KinderBOOST!

KinderBOOST! is a program that is specifically designed to support your children throughout their kindergarten year. This program focuses on the different goals and standards that your child will be focusing on. In addition to that supplement, it includes play time and a focus on the arts.

We will be offering a PM session on Tuesdays and Thursdays. Your children will be able to enjoy our amazing lunch taking the work off of you. This enables you to pick them up and bring them right to KinderBOOST! Tuesdays and Thursdays from 11:45-2:45.
